Armstrong County Courthouse is decorated in its finest Holiday Fashions. Every year the Board of Commissioners invites a different group to decorate the small trees adorning the veranda; this year in honor of their 100th Anniversary the local Boy Scouts of America were selected. Fifteen Boy Scout Troops and Cub Scout Packs from the Moraine Trails Council have participated in a beautiful display of creativity and pride in scouting. The trees will be on display beginning on November 19, 2010 as Kittanning celebrates Light Up the Night and remain displayed until into the new year.

Each participating troop and pack selected their own materials and designs to decorate with. The fundamentals of scouting were definitely used to design attractive ornaments that were also able to withstand the elements of outdoor display.

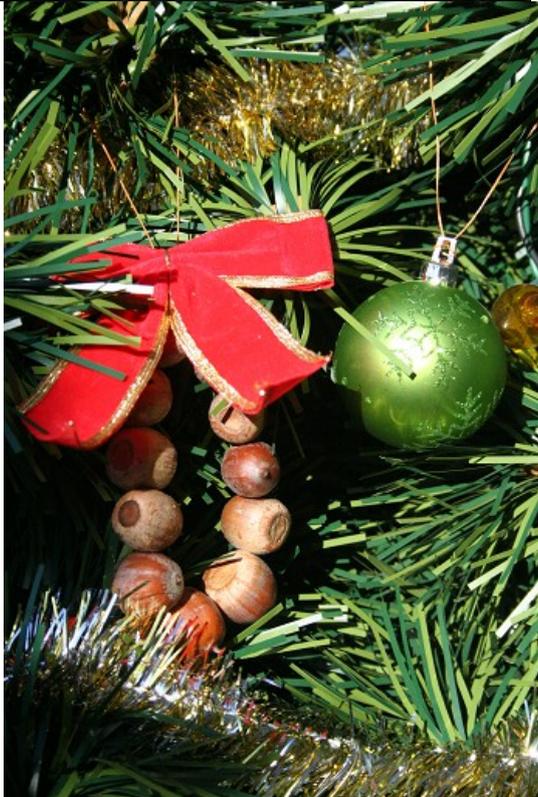

The following troops participated:

Venture Crew #630

This group is comprised of High School students both male and female who meet at the St. Pauline Brothers' Monastery. Their ornaments feature photos of crew members performing activities throughout the year.

The 50th anniversary of the Boy Scout's 100th anniversary is a time of reflection and celebration. The Boy Scouts of America (BSA) has a long and proud history of providing leadership training and outdoor activities to young men and women. The BSA's commitment to service and leadership is a source of pride for all who are involved. The BSA's 100th anniversary is a time to reflect on the many ways in which the BSA has made a difference in the lives of young people.
