

Fosters Mills Road Project is completed in Sugarcreek Township

Written by The Office of the Commissioners
Tuesday, 01 November 2011 07:40

The Armstrong County Commissioners met today with Sugarcreek Township officials to view the recently completed improvements to Fosters Mills Road. The project consisted of roadway rehabilitation and a culvert replacement. The total project cost was \$40,000 with \$16,750 being provided by the Armstrong County Commissioners through the County Liquid Fuels program. Sugarcreek Township was one of nine municipalities to share the \$150,000 worth of funding awarded through the County Liquid Fuels program earlier this year.
