Commissioner Rich Fink will serve the position of liaison/advocate between the County Commissioners Association of Pennsylvania (CCAP) Human Service Committee and the Pennsylvania Association of County Affiliated Homes (PACAH). Commissioner Fink was requested by the Kelly Andrisano, Executive Director of Pennsylvania Association of County Human Services Administrators because of his experience in human services areas.

This position requires working closely with Mike Wilt, Director of the PACAH, giving additional comments during meetings, and providing feedback from the perspective of a county commissioner during meetings and reporting back to fellow commissioners during the CCAP Conference.

This position, held by one or two sitting commissioners, will have no additional costs or travel. These meetings will take place during CCAP conferences and during regularly scheduled Human Services Committee Meetings.

Commissioner Fink said, "It is an honor to be representing CCAP. I feel my experience as a commissioner and being on the Human Services Committee will be helpful in this role."
