DEFACED ARMSTRONG COUNTY BRIDGE MONITORED FOR ONGOING VANDALISM

The Beatty Mills Bridge in North Buffalo Township, defaced by repeated acts of graffiti vandalism, is being monitored by authorities.

A reward of up to \$500 is being offered for information leading to the person(s) responsible for vandalizing the county-owned bridge.

“Every time we have to send our Public Works crew out there to clean up, we have to spend hundreds of dollars,” said Pat Fabian, Chairman of the Armstrong County Board of Commissioners. “These acts of vandalism are costing our county money. It’s unfair to the taxpayers.”

The bridge, which spans Buffalo Creek along Beatty Mill Road and Hogg Road, was erected in 2008 to replace the original 1876 Bowstring Pony Truss structure.

Anyone with information is asked to contact the North Buffalo Township Police Department at 724-543-5035.
