

Winter Storm Reminder For Home-Delivered Meals:

On occasion when the weather causes hazardous driving conditions, we may not be able to arrange for your meals to be delivered. **KDKA, WTAE, or WPXI TV channels** will post a listing titled “**Armstrong County Home-Delivered Meals**”.

It is suggested that home-delivered meal recipients maintain at least a 5-day supply of easily prepared food that have an extended shelf life for use in such cases.

Please contact Charlotte Wells at 800-368-1066 for additional information on closing policies.
