

Winter Storm Reminder For Center Closings:

On occasion when the weather causes hazardous driving conditions, we may not be able to arrange for your meals to be delivered. KDKA, WTAE, or WPXI TV channels will post a listing titled “**Armstrong County Home-Delivered Meals**”.

It is suggested that home-delivered meal recipients maintain at least a 5-day supply of easily prepared food that have an extended shelf life for use in such cases.

Please contact Nancy Wright at the Agency on Aging for additional information on closing policies.
