Announcements

Armstrong Recycling Center

The Recycling Center, located on Route 85 east of Kittanning at the Armsdale Complex, opened in early spring 1995 as a joint effort between the County of Armstrong and the [Progressive Workshop](#) of Armstrong County. Since the Center opened, over 20,830 tons of materials have been collected from individuals and businesses with the number continuing to grow daily. In addition to the Armstrong Recycling Center, interested individuals can also take their materials to one of the sites included in the Recycling Trailer Program or Circuit Rider Program.

Recycling Center Hours

Sunday: Closed

Monday: 8 am - 4 pm

Tuesday: 8 am - 4 pm

Wednesday: 8 am - 4 pm

Thursday: 8 am - 4 pm

Friday: 8 am - 4 pm

Saturday: Closed

Materials Collected:

#1 & #2 Plastic Bottles & Jugs
Office Paper
Corrugated Cardboard (Center only)
Newspaper
Bi-Metal Cans
Aluminum Cans
Clear, Green & Brown Glass Bottles & Jars
Used Motor Oil (Center Only)

Recycling Trailer Program

To provide convenience and flexibility to individuals interested in recycling, the Armstrong Recycling Center has placed recycling trailers at eleven locations throughout the county. These trailers are available for use 24-hours per day seven days per week.

Illegal dumping at Recycling Trailers

It is never appropriate to leave garbage in or around the recycling trailers. Recyclables outside the recycling trailer leave the area unsightly and put the site in danger of having to be removed. If the recycling trailer is full, please take your materials home and contact the Armstrong Recycling Center to have the site serviced.

For a map of Recycling Sites, please click on the link below.

Hard to Recycle Materials

Do you have items that are hard to recycle? Each year, the County partners with different organizations to host special collection events in order to provide residents with an opportunity to dispose of hard to recycle items in an environmentally friendly manner.

"Hard to Recycle" Day

In an effort to provide the public with an opportunity to recycle items such as tires and household appliances, Armstrong County teams up with the Progressive Workshop to hold **"Hard to Recycle"** events each year. Check back for 2017 details.

Household Hazardous Waste Collections

In order to help residents properly dispose of items such as paints, thinners and household chemicals, Household Hazardous Waste Collection Events are held throughout Western Pennsylvania each year. For more information please visit: prc.org/programs/collection-events/household-chemicals/

Electronics Recycling

Electronics are collected at the Progressive Workshop of Armstrong County at 1340 North Water Street, Kittanning, PA 16201. For a list of hours and materials collected please click on the link below.

Recycling Education

Staff is available to provide recycling presentations to your group or organization as well as to provide tours of the Armstrong Recycling Center.

To schedule a presentation or a tour contact Matt Ardeno at 724-548-5664 or ardenom.pwac@gmail.com

Local Recycling Programs

As a service to its residents, Kittanning and Leechburg Boroughs offer a curbside recycling program for certain materials. Additionally, Leechburg Borough is home to the Leechburg Recycling Center. For information specific to each program, please contact them at the numbers below.

Kittanning Borough	Jim Mechling	724-543-2091
Leechburg Borough	Leechburg Recycling Center	724-845-9721
