

Independent Living at Armstrong Suites

Independent Living can open up a whole new world for older citizens. You no longer have to worry about snow removal, maintenance, mowing the lawn and other responsibilities. Property taxes, insurances and utilities are also no longer a worry.

At Armstrong Suites you can enjoy the pleasure of others' company and maintain the independence and freedom you desire in your older years. The suites are a six-suite, independent living community located in the Armstrong County Health Center in Kittanning.

Two of the six suites offer a choice of double occupancy and each suite is fully furnished, with the option of bringing a few pieces of your furniture. The suites feature their own entrance via a private elevator and phone security. Each suite includes a bedroom, bathroom and kitchen area with a small refrigerator, stove top and microwave. We can also provide three meals a day if you choose.

The Armstrong Suites offer a shared dining area, living room with a full-size television, laundry room and private storage facility for the resident's convenience. The dining area is fully furnished with full-size dining room tables, refrigerator, oven and dishwasher. You may enjoy this space with other residents or family and friends.
